Greetings All!

On this Memorial Day, while we are finding many opportunities to have a party, let us all take a moment to remember our troops who died in the line of duty to our country.

Well, it has been a long, cold spring here in the northeast. There are glimmers of hope that warmer days are forthcoming as evidenced by some really voracious black flies! I was leaking blood after some outdoor chores. 'Tis the season...

I am writing to remind us that we have some important dates to remember, and opportunities to participate in some really fun stuff !!

There's great things happening. Please join us for one or more of these events. Contact me for more info (coachwhiton@maine.rr.com). Show up and plug in.

Foo,
Craig Whiton

Upcoming Events - Come Join in the Fun!

Saturday, June 7th - National Trails Day Centennial Adopt-a-Trail

TCA has adopted the Centennial Trail, in Shelburne, NH. Our first work party is on National Trails Day. The effort will be lead by Marc Lecroix (70s Crew).

Centennial Trailhead is just after turning onto Hogan Road on your way into the Shelburne Cabin. The trail is in great shape so work will not be overly strenuous. Bring your axe, bring your tools, bring your kids! There will be something for everybody.

This will also be an opportunity to meet the 11 new crew members (a record), as well as the new Supervisor of Trails. A special opportunity to visit with new, old, older and oldest Crew, swap stories and do the work we love!

There will also be a Fall Trail Day - September 6th.

Saturday, August 9th **Shelburne Cabin Work Party & Board Meeting**

The annual Shelburne Cabin Work Party is always a fun time. Bring your rake, hammer, axe and other tools to help maintain our cabin in the woods. Current crew is always there to lead the effort. Burgers will be grilled! Bring a side dish and/or desert to share. Then, join in the quarterly Board meeting. Let your voice be heard on how we can make our organization stronger!

Saturday, November 8th **Annual Reunion - only 5 months away!**

After the hard work on the Trail and at the Cabin, let's get together for simply the fun of it! There's no reason not to join us! This is year #5 at Pinkham Notch. It's bigger, better, and more organized than ever.

Show up - You will be amazed to see who else is there!
